Hi Christy - job 18029 are results from samples that I submitted - thanks. Job 18115 I believe are sample results that should be sent to Ralph Ludwig (at EPA). Thanks.

Rick

Hi Rick-

We have completed work on the samples from various projects and attached is an excel file and pdf with the data. If you have any questions, please let me know. I should have one more set of data for you today and QC reports to follow shortly.

We will hold the samples until 07/05/2012 in case you would want any additional analyses carried out, and will then dispose of the remaining sample material. If you need us to hold the samples longer, please contact us.

Thank you,

Christy Legner
